Statement on the Death of Stewart L. Udall

March 20, 2010

For the better part of three decades, Stewart Udall served this Nation honorably. Whether in the skies above Italy in World War II, in Congress, or as Secretary of the Interior, Stewart Udall left an indelible mark on this Nation and inspired countless Americans who will continue his fight for clean air, clean water, and to maintain our many natural treasures. Michelle and I extend our condolences to the entire Udall family who continue his legacy of public service to this day.
